To Whom It May Concern,

April 16, 2019

I am requesting a waiver to consider and accept my Form 471 application for the 2019 year. In our small school district, I wear the hat of Information Technology Director, STEM instructor and Athletic Director. I missed the filing date due to my heavy schedule. These funds are very important to our district.

I would ask at this time to please consider and approve the waiver to accept and go over my Form 471.

Sincerely,

Scott Eckhart,

I.T. Director - Athletic Director - STEaM Instructor, Swink School District
